

Student Scholarships

The IMS/ASA Spring Research Conference 2012 will continue the proud conference tradition to support students by providing scholarships to *selected* students who present contributed talks or posters.

To apply for student scholarships, please email a title and abstract of your talk, including your name and affiliation, along with *a brief supporting statement from your thesis supervisor* to the Contributed Program Chair, Dr. Xinwei Deng, at

xdeng@vt.edu

using "SRC 2012, Cambridge" in the subject line as in

Subject: SRC 2012, Cambridge.

The closing date for receiving applications is **March 31st**. We will inform applicants the outcomes by end of April 2012. The student scholarships are sponsored by ASA, IMS, IBM T. J. Watson Research Center and other sources.
