

HARVARD UNIVERSITY DEPARTMENT OF STATISTICS

Seeks applicants for a tenure-track, untenured position of **assistant or associate professor**, the level to depend on the qualifications of the candidate. We seek candidates with strong doctoral records, exceptional teaching and research experience in “core” statistics, or with the promise of achieving such distinction, and a demonstrated commitment to collaborative research and education in one or more interdisciplinary areas.

Applicants should submit letter of application, including CV, statement of teaching and research interests, and 3 professional reference letters to:

Professor Xiao-Li Meng, Chairman
Department of Statistics
Harvard University
Cambridge, MA 02138 U.S.A

or to search@stat.harvard.edu

Submission of an application by December 15, 2009 will ensure consideration during the current academic year.

We especially encourage applications from, and nominations of, women and minority candidates.

Harvard University is an Affirmative Action/Equal Opportunity Employer.
